

# Appendix 5.4

## A Good Sandwich

Using the text below, answer the following questions.

What kind of sandwich is most commonly found in this group of friends' lunch bags?

---

What kind of sandwiches are in the lunch bags of two people?

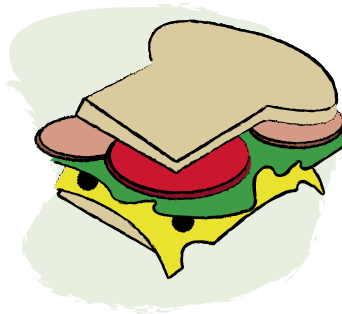

---

What kind of sandwich had Steve brought?

---

## A Good Sandwich!

For lunch, Laura had a ham and cheese sandwich. Kelly, on the other hand, devoured hers, which was with blueberry jam. Jessie also had a blueberry jam sandwich. David and Paula had egg sandwiches. Oh, I forgot to mention that Steve, Isabelle and Sam also had ham and cheese sandwiches in their lunch bag! Kristel tasted a cream cheese and salmon sandwich. Mariko had a chicken sandwich, while Logan had a tomato sandwich.

# A Good Sandwich

Using the graph below, answer the following questions.

What kind of sandwich is most commonly found in this group of friends' lunch bags?

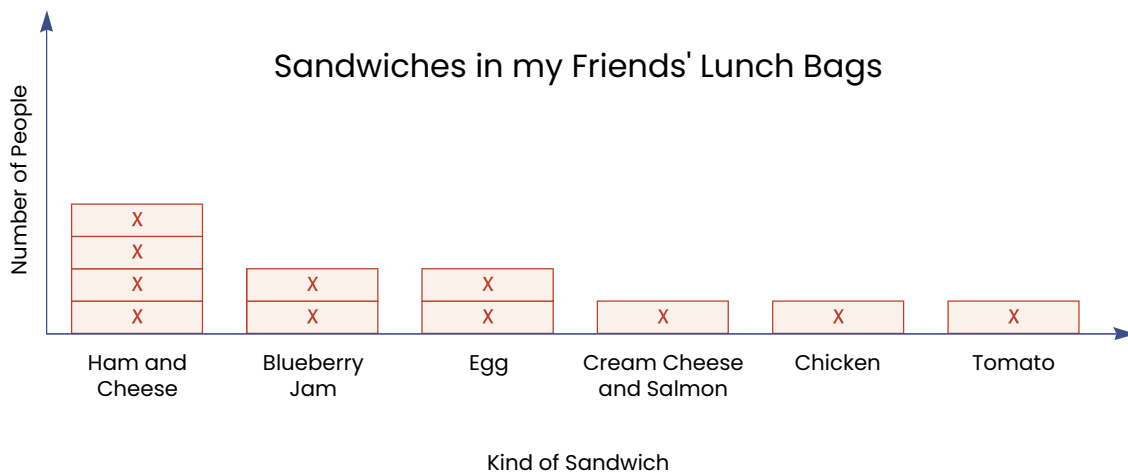

---

What kind of sandwiches are in the lunch bags of two people?

---

What kind of sandwich had Steve brought?

---

# A Good Sandwich

Using the table below, answer the following questions.

What kind of sandwich is most commonly found in this group of friends' lunch bags?

---

What kind of sandwiches are in the lunch bags of two people?

---

What kind of sandwich had Steve brought?

---
