

# Appendix 1 SO.2

Name : \_\_\_\_\_

## Adding Game

Parents, Guardians,

By playing this game with your child, you will help them master addition.

1. This game is played by two players. Each player receives a sheet of paper.
2. Roll two dice in turn.
3. Add the numbers.
4. Colour a box in the column corresponding to the sum of the two numbers.
5. The first player to fill a column wins.
